Current Yard Waste Management Options (as of November 2002)

Thurston County Solid Waste (360) 754-4348

COMPOSTING:

Thurston County Compost Center (2420 Hogum Bay Road, Lacey)

Self haul to the Compost Center

Prices: \$35 per ton (\$5 minimum fee for 300 pounds or less)

\$27 per ton for greater than 10 cubic yards

or \$1.25 per can or bag

Curbside Collection for yard waste through the garbage hauler.

CHIPPING:

Neighborhood Chipping Program. This program runs April to October. A neighborhood of four houses or more can get two free hours of chipping service. Branches must be 6 inches in diameter or less. Call Michelle Andrews at 786-5136 for more information.

Mobile Chip and Grind Program This program offers locations where residents can self-haul yard debris for chipping. Residents can drop off branches and brush (under 15" in diameter) at either of the following locations. Not accepted: grass; loose needles, cones and leaves; stumps; lumber; fence posts; nails, dirt, and root balls. In this program, chips are not made available to the public. The Mobile Chip and Grind program is for residents only. NO commercial sources or contractors are allowed to participate. For more information, call 1-800-527-3305 menu option 1, 1, 1.

NOTES:

Olympia citizens are encouraged to call the City of Olympia about its yard waste (753-8362) and chipping (753-8362) services. City of Olympia residents can bring grass and compostable materials to the Olympia Maintenance Center, 1401 Eastside Street S.E., for a fee. Call the Olympia Automated Recycle Line at (360) 753-4444 ext. 8580 for information

Remember to call all businesses listed for additional information on their services.

ORCAA has made every attempt to include businesses in the greater Thurston County area. If we have omitted your business, please call our agency to be included in future publications.
