Notification of Changes Not Requiring Permit Revision Section 502(b)(10) Change*

This notification is provided to EPA and ORCAA as notification of a Section 502(b)(10) change as described below. This change is allowed pursuant to WAC 173-401-722(1)(a) and WAC 173-401-722(2) as:

1. the change is not a Title I modification,
2. the change does not result in emissions which exceed those allowable under the permit, whether expressed as a rate of emissions, or in total emissions,
3. the change does not alter permit terms that are necessary to enforce limitations on emissions from units covered by the permit,
4. this notification is provided to the EPA and ORCAA at least seven days prior to making the change, and
5. the change does not violate applicable requirements or contravene enforceable permit terms and conditions that are monitoring (including test methods), recordkeeping, reporting, or compliance certification requirements.
