Notification of Off-Permit Change

This notification is provided to EPA and ORCAA as notification of an off-permit change as described below.

This change is allowed pursuant to WAC 173-401-724(1) as:

1. the change is not specifically addressed or prohibited by the permit terms and conditions,
2. the change does not weaken the enforceability of the existing permit conditions,
3. the change is not a Title I modification or change subject to the acid rain requirements under Title IV of the FCAA,
4. the change meets all applicable requirements and does not violate an existing permit term or condition, and
5. the change has complied with applicable preconstruction review requirements established pursuant to RCW 70A.15.2210.
