

# OLYMPIC REGION CLEAN AIR AGENCY

## AGRICULTURAL BURN PERMIT CONDITIONS

1. This permit does not relieve the applicant from obtaining permits required by any state or local fire protection agency or from compliance with the Uniform Fire Code.
2. This permit is valid only for the acreage indicated in the application and during the date(s) specified.
3. Burning is allowed during daylight hours only.
4. Do not burn during any stage of an air pollution episode, impaired air quality curtailment, or a burn ban declared due to fire danger.
5. Compliance with all other federal, state, and local regulations, including DNR and local fire department regulations, is required.
6. The applicant or property owner is liable for all damages and other consequences that may result from burning, including violations of all applicable laws and regulations.
7. Burn when the wind takes the smoke away from roads, homes, population centers, or other public areas, to the greatest extent possible.
8. A copy of this permit must be available at the site of the fire.
9. Only natural vegetation originating on this parcel may be burned. No off-site material may be burned.
10. Applicant will notify ORCAA and the local fire protection agency prior to burning.
11. Permit holders shall not burn prohibited material. Prohibited materials include garbage, dead animals, asphalt, petroleum products, paints, rubber products, plastics, paper, cardboard, treated wood, construction debris, metal or any substance other than natural vegetation, which, when burned, releases toxic emissions, dense smoke, or odors.
12. The fire must be attended at all times. The person in attendance shall have the ability to extinguish the fire or to promote complete combustion.
13. ORCAA may revoke this permit at any time.
14. No burning is allowed within 100 feet of structures.
15. Outdoor burning is not allowed in areas where it is prohibited by laws, ordinances, or regulations of the state, county, city, fire districts, or other government entity.
16. Other requirements: \_\_\_\_\_

**I certify that all burning will be conducted as part of a commercial agricultural operation as defined in WAC 173-430-030 and the land will continue in agricultural production. I do certify that I am the owner, authorized agent of the owner, or authorized contractor for the property subject to this ORCAA application/permit. I authorize ORCAA staff to enter the property listed in this application at reasonable times for purposes of inspecting the work that is the subject of this application/permit and to ensure compliance with permit conditions, applicable laws and regulations. I understand that granting of this permit by ORCAA does not authorize anyone to violate federal, state, or local laws or regulation pertaining to activities associated with this permit. I have read and will abide by the conditions set forth in this permit and any addendum thereto.**

**I do certify under penalty of perjury under the laws of the state of Washington that the information in this application and supplemental data is, to the best of my knowledge true, accurate and complete.**
