

Form C – Compliance Plan Summary for AOP Application

Note: The compliance plan content specified in this form shall apply and be included in the acid rain portion of a compliance plan for an affected source, except as specifically superseded by regulation promulgated under Title IV of the FCAA with regard to the schedule and method(s) the source will use to achieve compliance with the acid rain emissions limitations.

Section 1 – Compliance Schedule and Plan

For applicable requirements with which the source is in compliance, provide a general statement that the source will continue to meet such requirements on a timely basis:

For applicable requirements that will become effective during the permit term, a statement that the source will meet such requirements on a timely basis:

Identify applicable requirements the source will not be in compliance with at time of permit issuance, and provide a narrative description of how compliance will be achieved:

Provide a plan and schedule for achieving and maintaining compliance with applicable requirements identified above. Identify the requirement, the action/remedial measure to be taken, and a date for when compliance is expected to be achieved. Additionally, identify a timeline for submitting progress reports to ORCAA. If the action is necessary to remedy a violation, the reports must be submitted at least every six months.

**Note: This compliance schedule shall resemble and be at least as stringent as that contained in any judicial consent decree or administrative order to which the source is subject. Any such schedule of compliance shall be supplemental to, and shall not sanction noncompliance with, the applicable requirements on which it is based.*

Section 2 – Schedule of Compliance Certifications

During the permit term, compliance certifications will be submitted annually, at a minimum. If an applicable requirement requires more frequent submissions, please specify below:		
Certification Parameter	Beginning Date (month/day/year)	Frequency of Submittal (6 mo, quarterly, etc.)

Section 3 – Monitoring

A statement indicating compliance status with any applicable monitoring and compliance certification requirements.
