General Information

Project Title LOCAL PARTNER CORE GRANT 2019-2021

Project Short Description For the implementation of a comprehensive air quality control program to protect and enhance air quality within our jurisdiction and to meet the goals of the State and Federal Clean Air Act. Work accomplished with the core grant may reflect any or all of the seven major categories of the Core Program, such as Enforcement, Permitting, Monitoring, Public Education and Enforcement, Planning and Development, Technical and Business Assistance.

Project Long Description

Total Cost \$650,023.00* Total Eligible Cost \$650,023.00*

Effective Date 7/1/2019 Expiration Date 6/30/2021

Ecology Program Air Quality

Project Category* Core Grant

Will Environmental Monitoring Data be collected? [DELETED]

Overall Goal The successful implementation of a comprehensive air quality control program to protect and enhance air quality within "our" jurisdiction, that meets the goals of the State and Federal Clean Air Acts. The accomplished work will occur in one or more of the seven major categories: Enforcement, Permitting, Monitoring, Public Education and Enforcement, Planning and Program Development, Technical and Business Assistance, and Administration.
