

MITIGATED DETERMINATION OF NONSIGNIFICANCE (M-DNS)

SEPA# 201606318

August 4, 2017

Description of Proposal: Paneltech proposes to install a second treater line and a second Regenerative Thermal Oxidizer (RTO). The existing resin plant will be operated at a higher utilization, and the RTO. The proposed new line will be installed adjacent to the existing line within the existing building. The second RTO will be used to control emissions from the new line as well as existing equipment and will be located west of and adjacent to the current one. This is an amended proposal as a second RTO was not originally proposed.

Applicant: Paneltech International LLC dba Paneltech
